

Chapter Time Guide

You are God's Masterpiece – May 22, 2020

Goals

1. Follow up with your chapter after InterVarsity LIVE!
2. Meet and include new people
3. Get students connected to small groups
4. Introduce a piece of Ignite! (Evangelism department tool) to your chapter

Recommended Platform

Invite your chapter to meet together post-InterVarsity LIVE! in a Zoom meeting. This will allow you to break the chapter into small groups for more intimate discussions and allow the chapter to feel close relationally.

Some chapters may also want to use a Google doc during this time to keep notes of what's being shared to allow for further interaction. You can create tables for participants to share responses to things they're learning or to capture prayer requests.

You can find best practices and tips for using Zoom by visiting [here](#). InterVarsity staff can contact the [Help Desk](#) for any technical questions regarding Zoom.

Vision Cast about Ignite!

This series called "Look What I Can Do" is all about how God can use students to bring hope to others in creative ways. Ignite! is a new tool the Evangelism department is using to help students bring together their hobbies and God stories to bless others. Students are God's handiwork. Staff are fascinated by God's work and are expert "excavators" of God's gems in students. Listen to this [short explanation of Ignite!](#) by Doug Schaupp and be prepared to be inspired

This Week's Content

- [Inside Scoop](#): Staff train small group leaders in this material **before** Week 1 so that they can use it in their breakouts each week. Leaders learn, practice, and have buy-in. Then, on Week 3, Inside Scoop is introduced formally to the chapter as the group activity.
- [Testimony video](#): Nick's story. An English major from Cal Poly San Luis Obispo, who loves poetry
- Discussion questions:
 1. What hobbies, passions or interests have you pressed into lately? Or, which ones did you engage in before COVID-19?
 2. What do you like about your particular hobby, passion, or interest?
 3. What have you learned about yourself or the world from engaging in this particular hobby, passion, or interest?
 4. Who else do you know who shares your hobbies, passions, or interests? Who do you think might be interested in learning more about your hobbies, passions, or interests?
 5. How might your hobbies, passions, or interests connect with your relationship with God?
