

Addendum to Position Description

Campus Intern for Penn State University campuses, Western Pennsylvania Area

Supervised by: Area Ministry Director

Supervises: N/A

Anticipated Start Date: July 1st, 2022

Hours: Part-Time, 25 hours/week

Location: Split between Penn State University – New Kensington & Penn State University – Greater Allegheny

To advance the purpose of InterVarsity, this position will reach new campuses in Western Pennsylvania where there are currently no campus ministries present, moving towards the 2030 Calling to catalyze ministry that calls every corner of every campus to follow Jesus. Additionally, students from these campuses transfer to other campuses, increasing the likelihood of planting ministry on other campuses in the future.

MAJOR RESPONSIBILITIES

In addition to what is already mentioned in the Position Description...

Ministry Partnership Development:

- Coordinate with church & ministry workers already on the ground at PSU – New Ken & Greater Allegheny who are preparing the way for InterVarsity.
- Pursue ways to partner with local churches and with others invested in the campuses.
- The Western Pennsylvania Area has a team fundraising model, committed to fundraising not just their own budget but to work together fundraising until everyone on the team is fully funded. Staff in Western Pennsylvania must be committed to fundraising for the whole team regardless of their own funding level, and once fully funded, staff must be committed to fundraising in advance in anticipation of future staff on the team.

Campus Planting:

- Build off the ministry that has begun already through ministry partners.
- Disciple students into leadership and into reaching their campus missionally.
- Equip and empower students to reach their campus using their giftings.
- Disciple students into whole-life stewardship and their God-given calling.
- Disciple students into following the Spirit regardless of where they are.

Commuter Ministry:

- Reach students in a transient community through creative outreach.
- Create multiple options for onboarding students into involvement given limited schedules and resources.
- Be willing to schedule more during the day instead of in the evenings.
- Be willing to travel to multiple campuses.
- Disciple transferring students to prepare for involvement at their future campuses and to connect to Christian community.

ADDITIONAL QUALIFICATIONS

- Planting experience ideal, but not required; if not, willingness to be trained in planting best practices is required.
- Ministry experience with commuters ideal, but not required; if not, willingness to be very flexible in timing and in establishing needed structures on campus is required.
