## ***FAITH EXPERIMENT***

Approach someone you don't know  
and ask: "If you could ask God one question-  
what would it be?"

and then ask: "Could we ask God that  
question together- right now?"

Tell them that you believe God cares about  
their deepest questions.

## ***PRAYER WALK***

## ***WINSOME INVITING***

JOHN 1: 35-42

Invite a non-Christian friend to small group.

Share the Gospel and invite a response at least once.

**PASS IT ON** 2 CORINTHIANS 9: 6-8

(1) what did you like about the challenge? (2) What was difficult? (3) What would you do differently? (4) How are you being shaped by God through the challenge?

## ***FAITH EXPERIMENT***

At your next meal, ask those at your table – " What's the truest thing that you know & trust in this world?"

Then answer your own question.

If someone shares something significant, try and follow up with them to hear more.
