Winsome Invitation to Join the Movement

There are ___ students on this campus who are loved by God. Sadly, many don't know God's love. We are starting an InterVarsity chapter here to help students explore that love and be transformed by it. We are looking for people who will help us start this group. Would a community like that be something you'd be interested in? Or who do you know who would be? What's the best way to get in touch with you? Contact Info., Instagram?
